Vets end another month in 1st place

Back-to-back losses on opening weekend of November

The Navy Vets started the month of November with back-to-back losses in Tavistock and Hespeler ... their first consecutive losses of the season.

The game in Tavistock was close but eventually ended in a 5-3 loss including a Braves empty-netter. With the result Tavistock overtook the Vets for 1st place.

In Hespeler, Shamrock forward Tommy Zufelt scored 4 goals to sink the Vets 5-2.

6 straight wins to end the month

The Navy Vets got revenge when they hosted Hespeler at Southwood on Friday Nov 12 for Remembrance Day with a 6-1 convincing win. Christian Pelley had a hattrick to lead the charge.

They then went into Wellesley the following night and Kyle Baker scored 4 minutes into OT to give the Vets a 2-1 victory. Keaghan Brett recorded his 50th career win.

The offence kicked into high gear the following weekend.

Friday night a 6-goal outburst in the 2nd period helped sink the New Hamburg Firebirds 9-4 at Southwood Arena with defencemen Patrick Klazer and newcomer Ty Durston each getting 2 goals to lead the way. Kyle Baker had 4 assists and 5 points while Nolan Brett and Caden Bower each had 3 assists and 4 points.

Saturday night in Burford things continued ... another 4-goal 2nd period onslaught leading to a 10-3 convincing win. Caden Bower led the way with 2 goals and 3 assists. Christian Pelley had 2 goals and 2 assists.

The final weekend of the month began with hosting Hespeler for the annual Teddy Bear & Pyjamas Toss. Caden Bower scored at the 12:50 mark of the 1st period to set off a barrage of bears and pyjamas being thrown on the ice. Bower added another a few minutes later and the Vets never looked back to come away with a 5-1 victory.

On Saturday night the Vets headed down Hwy 59 for the 4th game in this season's "Battle of Hwy 59" series. In the closest of the games so far it took Mack Easter's goal in OT to give the Vets their 6th consecutive win and move them back into a 1st place tie with Wellesley and Tavistock.
