

Vets Game Recap – Apr 03 Doherty SF Game#7

New Hamburg Firebirds scored once in the 1st and once in the 2nd before Lakin Hendry scored for the Vets with just over 6 minutes left to set up an exciting finish ... but an empty net goal ended the Vets season in a 3-1 loss before the largest crowd of the season of over 1200 at Southwood on Sunday afternoon.

The Firebirds move on to meet the Tavistock Braves in the Doherty Division Championship Series.

It was a great year for the Vets ... winning their 1st regular season title in 20 years.

But the end came too soon ... especially for veteran overagers Keaghan Brett, Liam Munro, Drew Mullett, and Wes Dobbin who played their last game in junior hockey.

Thank you boys for your commitment to the team over these past years and good luck in your future endeavours !!

Congrats on a great year Navy Vets and thank you to the community for their great support this season !!
