TEAM BIO:

With a pretty even split of 2004 and 2005 players being selected for the team this year, it was uncertain how well the team would perform. After a difficult start in our first tournament in St. Thomas, the team steadily improved to consistently compete in each game and tournament throughout the balance of the year.

To say the team played a lot of hockey this year is a bit of understatement. With 66 games played so far, the team is looking forward to finishing the year competing for the OHF Championship.
