

GAME PREVIEW

The Navy Vets open their 2022 Preseason against the Dorchester Dolphins at Southwood Arena.

The roster has had a lot of changes since they were beaten in Game#7 of the Doherty Division SF in April at Southwood by New Hamburg, after winning the regular season pennant for the first time in 20 years.

Veteran goalie Graeme Noye returns to anchor the defence along with several returning blueliners.

The forward corp is a good blend of talented scorers ... both returning and new recruits.

The Dolphins are 1-1 so far this preseason.

They have a veteran core of forwards and defencemen returning to their team that finished 4th in the Yeck Division last season before being knocked out in 6 games by Thamesford in the QF.

They are auditioning a whole new tandem in the net though.

They are perennially one of the top teams in the Yeck Division and no doubt will be again this season.

The teams will play a return match in Dorchester on Sunday night at 7:30pm.
